

# KELVIN MAINA MBURU

## Software Developer | Full-Stack Developer | Cybersecurity Enthusiast

Nairobi, Kenya | +254 716 194 441 | mastervisleen@gmail.com | dev-kayvin@proton.me | dev-kayvin.vercel.app

### PROFESSIONAL SUMMARY

Results-driven Software Developer with 3+ years of experience designing, developing, and maintaining scalable software solutions across web, mobile, and backend environments. Proficient in full-stack development, REST API integration, database architecture, and secure software engineering practices. Experienced in delivering user-focused applications that improve operational efficiency, enhance system performance, and support business objectives.

### TECHNICAL SKILLS

**Programming:** Python, Java, C#, JavaScript, TypeScript

**Frontend:** React, Next.js, HTML5, CSS3, Tailwind CSS

**Backend:** Node.js, Express.js, Django, Spring Boot, .NET

**Databases:** PostgreSQL, MySQL, MongoDB

**Tools:** Git, GitHub, Linux, REST APIs, Agile/Scrum, CI/CD

**Security:** Secure Coding, Vulnerability Assessment, Cybersecurity Best Practices

### PROFESSIONAL EXPERIENCE

Software Developer

- Developed and maintained scalable software applications using Python, Java, C#, and JavaScript.
- Built responsive web applications and RESTful APIs supporting business requirements.
- Designed database-driven solutions using PostgreSQL and MySQL.
- Applied secure development practices to reduce vulnerabilities.

### FEATURED PROJECTS

**Hotel Management System** — React, Node.js, PostgreSQL

Developed a centralized platform supporting reservations, room allocation, and payment processing.

**E-Commerce Mobile Application** — React Native, Node.js

Built a secure cross-platform shopping application with authentication and checkout workflows.

**Cybersecurity Monitoring Dashboard** — Python, APIs, Security Tools

Created a dashboard for monitoring vulnerabilities and security events in real time.

### EDUCATION

Diploma in Computer Programming — Co-operative University of Kenya

## **CORE COMPETENCIES**

Software Development • Full-Stack Engineering • API Development • Database Design •  
Cybersecurity Awareness • Agile Methodologies

## **INTERESTS**

Adventure Travel • Touring • Technology Research • Cybersecurity Learning
